Michael Jackson is a unique pop icon that appeared on tv screen and streets for years. As one of the representatives of the age of classic american and international music, he was named “Father of Pop Music” and “Father of contemporary music”. During the first years of his career Michael Jackson left the group behind. Several of his solo albums were big hits. He was a very spiritual, kind, approachable and funny man. During the last ten years of his life Michael Jackson became a victim of a dark story that many people did not want to speak about.
